

Inquiry HASS - history

Wonder and Wander

Who has been on a journey or voyage throughout history?

Why was it important to them to move from place to place?

How did they go?

Think about how you might investigate this?

- ... do an experiment?
- ... interview someone?
- ... research via book or video?
- ... explore or collect data?

How will you document/share/record/present your findings?

- ... make an informative image with maps?
- ... write a report or presentation?
- ... create a poster with graphs?
- ... record a podcast or video?
- ... create a google slideshow?

Continue your inquiry project each day and when you are finished upload to google classroom.

Follow the steps to complete your inquiry project.

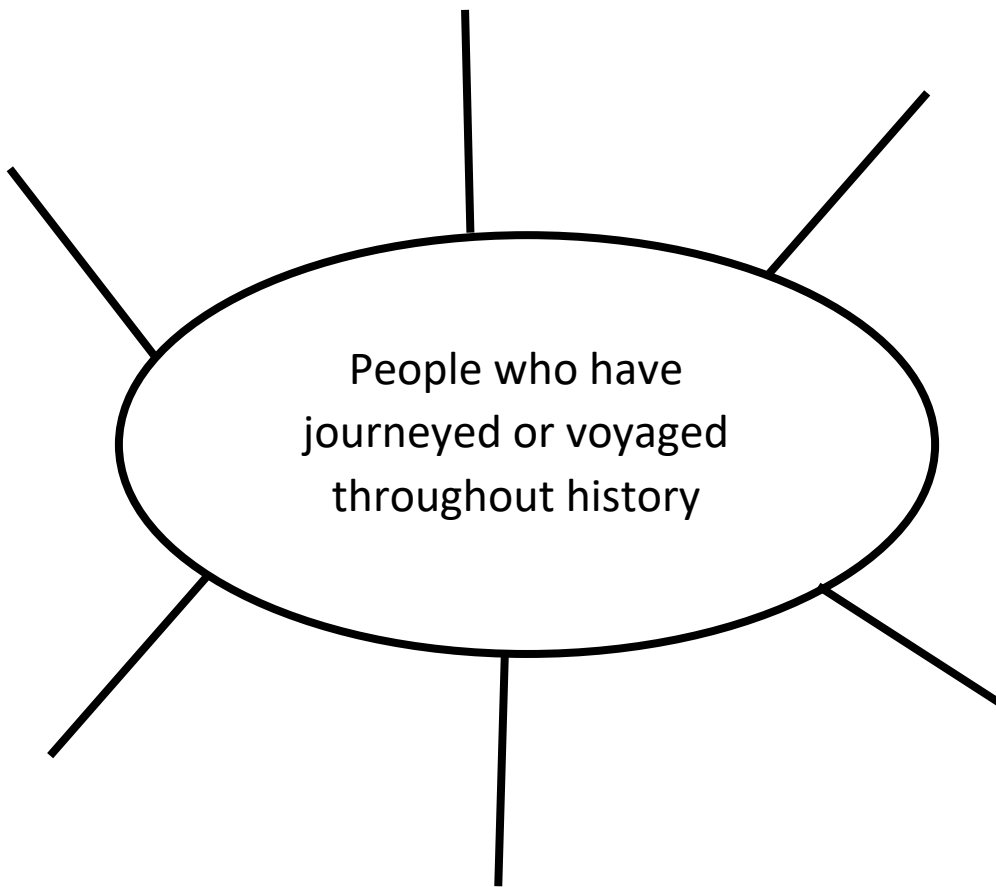

Step 1 – Research the names of different explorers. List them on the mind map attachment.

Step 2 – Choose one explorer from your mind map who you are interested in researching. Circle the name.

Step 3 – Research when, where, why and how your explorer travelled and fill in the attached note taking template. When you note take, just write the key words from your research. Do not write whole sentences. Do not plagiarise.

Step 4 – Create a slideshow/video/podcast/poster/diagram/report to present the information you have found.

Mind Map

Note Taking Template

Name of explorer: _____

When and where did your explorer travel? Include a map.

Why did your explorer travel?

How did your explorer travel? What form of transport did they take?
