

ETPS@Home MI Learner Pack

Child's Name:	Class:	Year Level:	Date Started:
---------------	--------	-------------	---------------

This Home Learner Pack is designed as a suggested plan by ETPS staff as to how you may be able to support your child during this time at home. The learning tasks are designed to be completed with support, while encouraging independence where possible. I offer this resource to you as a guide. I understand and appreciate that not all families can work under the same set circumstances as such this resource is offered as a guide. I encourage families to utilise resources provided in your child's Home Learning Pack and Learning Task Boxes, along with any resources you have at home.

Try to complete 3 Literacy, 3 Numeracy and at least 2 Life Skills Activities from the Learning Grid each day. Refer to the Learning Grid to choose your task.

End of week check	<p>Have I shared at least 3 pieces of learning to Seesaw each week?</p> <p>If not, please take some photos of your learning and upload to Seesaw so I can stay connected with your learning.</p>									

How do I contact my child's teacher?

Preferred communication Method:

Contact your teacher via Seesaw using the 'Message' Function

If your child is working from home:

Please understand that teachers are still teaching within the classroom and will respond to messages as soon as they are able.

If the school is requested to close:

You will receive information via SMS, Skoolbag and Email.

Your child's teacher may contact you via the preferred contact method listed above.
