# OSHC Policies

Our OSHC service is operated and guided by a series of policies incorporating the school's policies and the OSHC service's policies.

## Management

Our OSHC service is operated by the East Torrens Primary School Governing Council. The management committee comprises of parents of children attending the service, a delegate from the school council, a member of leadership from the school, OSHC Director and an OSHC staff member. The Director looks at working with the committee to communicate the parents and children's interests and needs.

Parents of the service are encouraged to have input in the running of the service and we value any ideas, opinions and feedback in regards to improving the running of the service. If you wish to join, please see the Director. We will ensure that parents are kept up to date with information regarding activities and any other information relevant through the parent notice board, notices home to parents or through verbal communication.

## Parents Grievance Procedure

If a parent has a concern about the service provided, it is recommended that they proceed as follows:

- Speak to the Director about the problem in person, writing or email.
- If you are not satisfied with the outcome, you may also contact the School Principal.
- If you are still unsatisfied, you may telephone or write to the chairperson of the school council to air the concerns.
- If after all stages of this procedure you are still unsatisfied you may approach the DETE District Coordinator, who will try and resolve the situation.

Parents or children may use another person to help them to raise an issue. This may be a friend, a school counsellor or management committee member. It is important for all grievances to be kept confidential. It is important for the child/children's sake that the coordinator and the service are not criticised in the child/children's hearing. A grievance, depending on its complexity may take days or even weeks to resolve, however, initial investigations or actions will be undertaken within one working day where possible. All discussions and outcomes will be documented at each stage.

# Behaviour Management

The children, together with the staff at East Torrens Primary School OSHC, devised a set of rules and consequences that they believe to be fair and equitable to all ages and gender.

Rules	Behaviour Management Process
<ol style="list-style-type: none"> <li>1. SHARE, CARE AND RESPECT: be respectful to all children and educators</li> <li>2. BE SUN SMART: wear a hat and sunscreen and play in the shade</li> <li>3. LISTEN: to, respect and follow OSHC staff instructions</li> <li>4. EQUIPMENT: look after OSHC, school and personal equipment and pick up and clean up after ourselves</li> <li>5. SHARE: resources with all children</li> <li>6. FEEL HAPPY AND SAFE: bullying and harassment will not be accepted</li> </ol>	<ul style="list-style-type: none"> <li>➤ First Warning</li> <li>➤ Second Warning</li> <li>➤ 5 minutes to cool off</li> <li>➤ 10 minutes to cool off</li> <li>➤ Sent to the office to sit with director</li> <li>➤ Contact to parents</li> </ul>

**Suspension** from the service will occur only after all other avenues of communication and support have been made and/or a result of the following:

- Professional advice has confirmed that the child is in high psychological risk as a result of an unusually prolonged inability to settle into care.
- A child puts one or more children, or staff at risk through inappropriate/ dangerous harmful behaviour.

Behaviour management guidelines within the service are in line with East Torrens Primary School and therefore Department for Education. It is expected that the students adhere to these guidelines or exclusion from the OSHC program for a minimum of 2 days may result.

If parents cannot pick up a child, OSHC staff will contact people in emergency contact and collection authorities list.

Parents are required to sign terms and condition form before bookings can be made. Terms and condition form located at the end of this booklet and will be sent out before each term and each vacation care. Only one emergency booking can be made without terms and condition form signed.

If there are any external factors which may affect the behaviour of your child (i.e. health considerations, family situations etc.) then please inform one of the OSHC staff. This helps us with the way we approach your child in addressing their needs.

## Programming and Activities

Using an approved learning framework, the Educational Leader, in consultation and collaboration with educators, children and family's plans, designs and provides programs, catering to the children's age, developmental needs, skills, interests and abilities through a variety of challenging and recreational activities.

In providing opportunities for children, the Service recognises the importance of play, relationships, collaborative decision making and respect for diversity.

The Educational Leader is responsible to have a written program plan prepared for each aspect of the Service. This program plan will be on display for everyone's information.

Children are involved in the planning process by working with staff, brainstorming ideas and through daily OSHC meeting discussions and evaluations.
