Monday 22nd Nov. - Pupil Free Day

Friday 26th November - Colour Run

Monday 6th December - Yr 6 graduation

Tuesday 7th December - Yr 7 graduation

Yr 4/5 Bike Education - Every Friday

We will be studying the following topics this term;

Literacy

- **Information Report** - Examine the purpose and structure of information reports. Build vocabulary around procedures. Our focus will be on developing vocabulary around celebrations. We will be learning different ways to present work eg posters, slideshow
- **Recount** – We will be reviewing recounts and focussing on using the past tense and descriptive writing.
- **Word Study** - The word study program we are using has been developed by Words Their Way; a word study program, which allows teachers to provide differentiated, and effective instruction in phonics, spelling, and vocabulary.
- **Oral Language**-Students will prepare and present a talk, each week, on various topics. The timetable and list of topics will be in each student's homework book. It will start in week 3.

Maths

Number

- Learning/reviewing multiplication and division facts.
- Upper primary students will be learning factors, prime and composite numbers.
- Solving word problems, using multiplication and division.

Time

- Reviewing timetables and calendars

Humanities and Social Sciences

- We will be learning about celebrations around the world. We will compare and contrast various traditions and customs associated with celebrations.

Child Protection

The Right To Be Safe

- We will continue to develop our language about feelings and how to keep ourselves safe. We will be learning the names of different parts of our body in English. We will also be learning about keeping ourselves safe online.
