PRINCIPAL'S MESSAGE

Dear Parents,

It's hard to believe that a whole term has gone by already. It has been a busy term with learning programs well established, NAPLAN testing completed, SAPSASA events run, special events such as Harmony Day and Sports Day occurring and our new music programs starting. Small groups of students in years 5-6 have been learning the guitar, drums and singing in the choir. Lunchtime music is offered to students in years 3-4 and our R-year 2/3 classes have been attending music lessons with Ms Bala. The students and staff are now looking forward to a break to recharge their batteries for a busy term 2.

Retirement

Suzi Vladimirov has been a teacher with the Department for Education for many years and at East Torrens PS since 2011. We thank Suzi for her commitment to the education of young people and wish her well for her retirement.

Facilities

We are excited to announce the completion of the new playground adjacent to the Robson Building. The students will have the opportunity to try it out next term.

Our new perimeter fence will be installed next term. This may cause some short term disruptions around the school but will result in a higher and safer fence surrounding the school.

New smoke-free and vape-free outdoor area laws

The Department for Education is committed to creating a safe and healthy environment for all students in schools!

On March 1, 2024, new regulations were rolled out to expand smoke-free and vape-free zones around schools and preschools. Here's what you need to know:

- No smoking or vaping anywhere on school grounds or within 10 metres of the school boundary.
- This includes drop-off/pick-up zones, ovals/sporting fields, footpaths, and public recreation areas near school boundaries.
- These rules apply at all times, even outside of school hours, with fines possible if caught by police or government officers.

We're prioritising the health and safety of children and young people by reducing their exposure to second-hand smoke and vapour.

FROM THE NEST

A NOTE FROM MRS PIRO

Hello every one! Thank you so much for welcoming me back to school and for being so understanding, kind and helpful during my return.

Some of you may already be aware, but I will be taking some further time off during Week 11 as I undergo hip surgery. You all know me and how hard it is for me to stay away, so the plan is for me to return early in Term 2, however in a limited capacity, and only for part days. In the meantime, Mr Evans will continue to assist me in this role, doing the 'Leg Work,' so to speak.

Have a wonderful holiday, and I can't wait to see you all when I return!

DENTAL SCHOOLS

Notes and forms for dental appointments are coming out soon. These forms need to be completed and returned to class room teachers before the 12th of April (Friday Week 11). The dental van will be visiting on the 29th of April, Monday of Week 1 Term 2.

ZOOM KITES

Thank you everyone who purchased a kite during our fundraising partnership with Zoom Kites. Together, we raised over \$200 for the School!

If you did buy a kite, we would love to see photos of you flying them! Send them as an email attachment to http://dl.0971.info@schools.sa.edu.au so we can post them in future newsletters!

SPORTS DAY

What an amazing Sports Day! Everything from the weather, to the parents and families who came to cheer us all on were simply phenomenal. Well done to our winning team for 2024 the mighty Heath, and to all students who ran, jumped, scooted and threw their hearts out for glory!

HARMONY DAY

On Friday the 22nd, East Torrens celebrated Harmony Day in style! It was so amazing seeing so many students in traditional, festive dress, and even more in orange, the colour of open communication and respect. Classes also contributed to our newest display, a paper flower garden which now adorns the hall way leading to the Library, building on our school mantra 'Growing Together.'

MONTY RETURNS!

After a lengthy break enjoying some gum leaves, our resident attendance Term 2! He is currently tracking the attendance data from Term 1 and will be spending the next term with the class with the highest attendance from the start of the year. Attendance Matters at East Torrens, so please make sure you are here on time, ready to learn, every day to give your class a chance to host the marvelous Monty.

Sports Day, 2024

Harmony Day 2024

Harmony Day is celebrated every year on the 21st of March. It celebrates Australia's cultural diversity.

Australia is a culturally diverse country. This means that there are many different cultures that contribute to Australia's national identity.

Harmony Day is about including, respecting, and appreciating the stories, beliefs, traditions, languages and cultures of all people who call Australia home.

The theme for Harmony Day is Everyone Belongs. Everyone belongs at East Torrens Primary School!

There are more than 30 different cultural backgrounds and languages at East Torrens Primary School.

CHILDREN'S UNIVERSITY

Thank you to all the families who made enquiries about the Children's University. Registration is now closed. This year we have 20 students participating in the Children's University program with many students participating for the first time.

Families of students who have registered can now make the required payment of \$16.50 directly to the school's bank account. For your convenience the banking details have been included below. **Please add CU, your child's name and room number in the reference section. (example: CU-John Smith-M2)** The bank details are as follows:

Account Name: East Torrens Primary School

BSB: 105-110

Account Number: 037237240

Reference: CU- Child's Name-Room Number (example: CU-John Smith-M2)

Passports will be issued to students by the end of term. I will also meet with participants before the end of term to explain to them how to access the portal and to support them to record hours already accumulated in Term 1.

Below are some holiday activities students may be interested in completing. Each activity is worth 30 minutes of study time. Students can access the activities via the portal or simply complete the activities and bring them back to me next term for checking off. Students can also ask for copies of the activity sheet if they prefer.

Happy holidays! Complete as many **Autumn Holiday Challenge Activities** as you can and take evidence to your CU Coordinator during Term 2, 2024. Each activity you complete can earn you 30 minutes in your Passport to Learning. Have fun!
